Read the Poem and Spot the Numbers!

THREE

3 blind mice, 3 blind mice,
See how they run, See how they
run!

They all ran after the farmer's
wife,

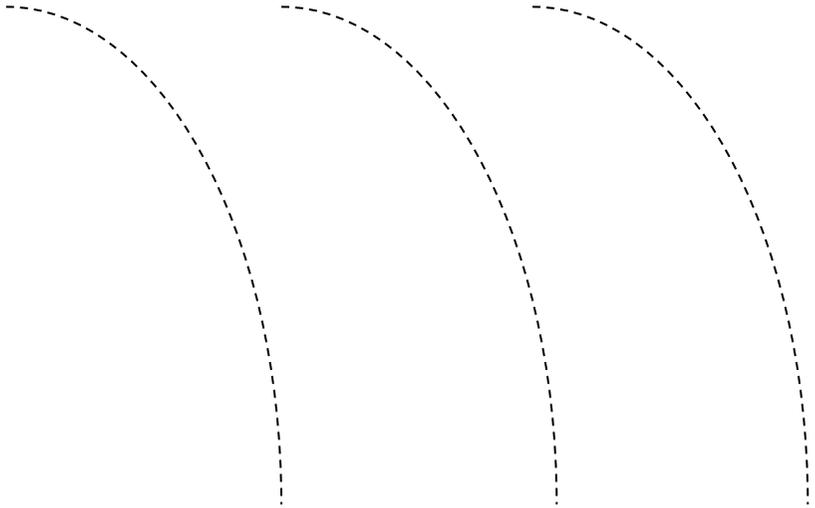

Who cut off their tails with a
carving knife!

Have you ever seen such a sight
in your life as 3 blind mice?

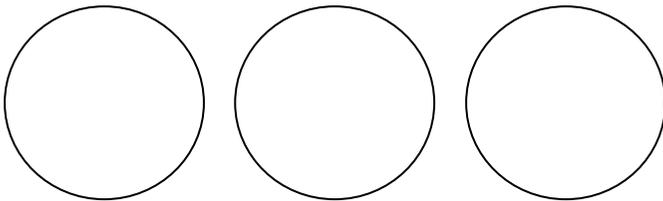

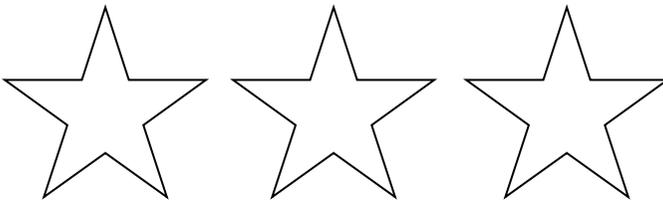

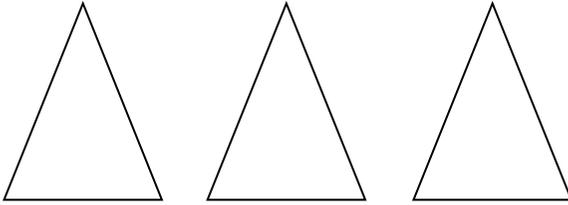

Help your child draw the number 3.

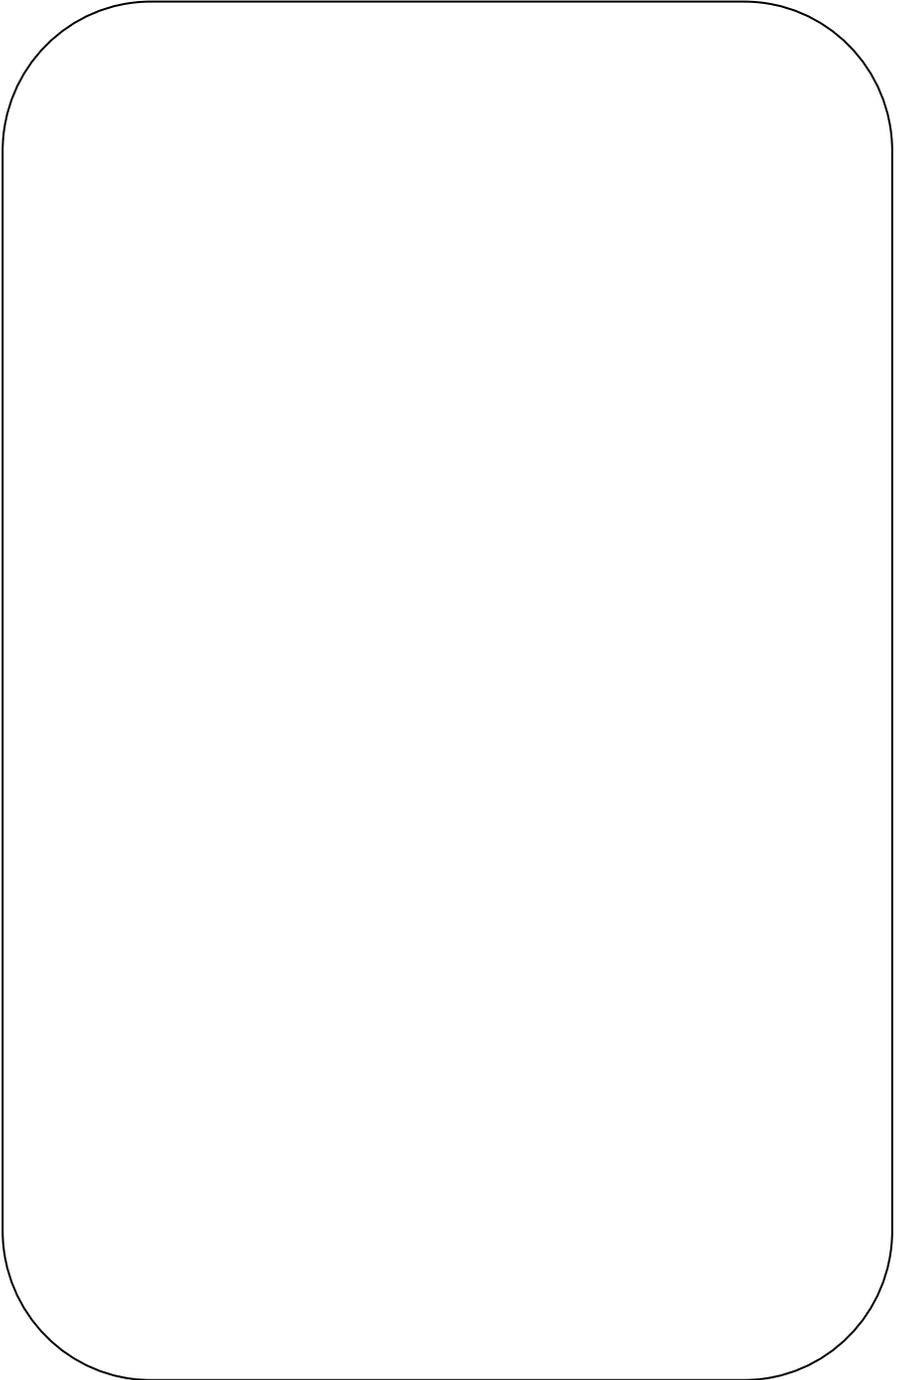

Help your child trace the lines.

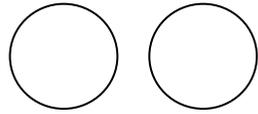

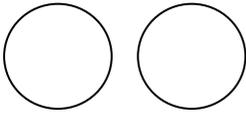

Help your child count and name the shapes. Color each shape a different color and help your child name the color.

Help your child draw three ovals.

Read the Poem and Spot the Numbers!

FOUR

4 fine fellows went a courtin’

Down the lane in the mornin’.

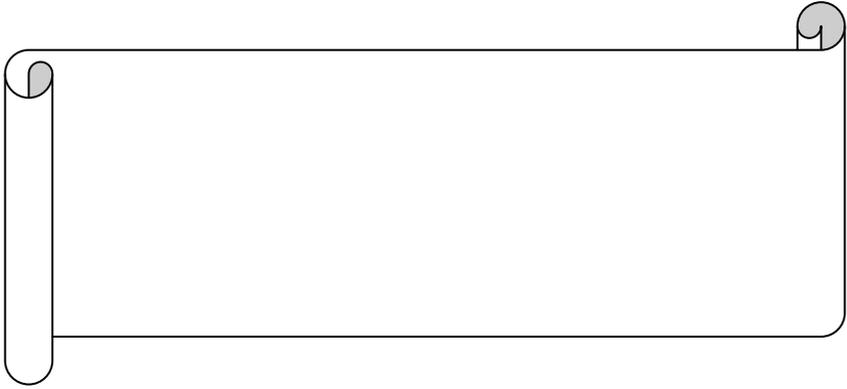

To see their Sally dear so sweet

Who always gives them buns to

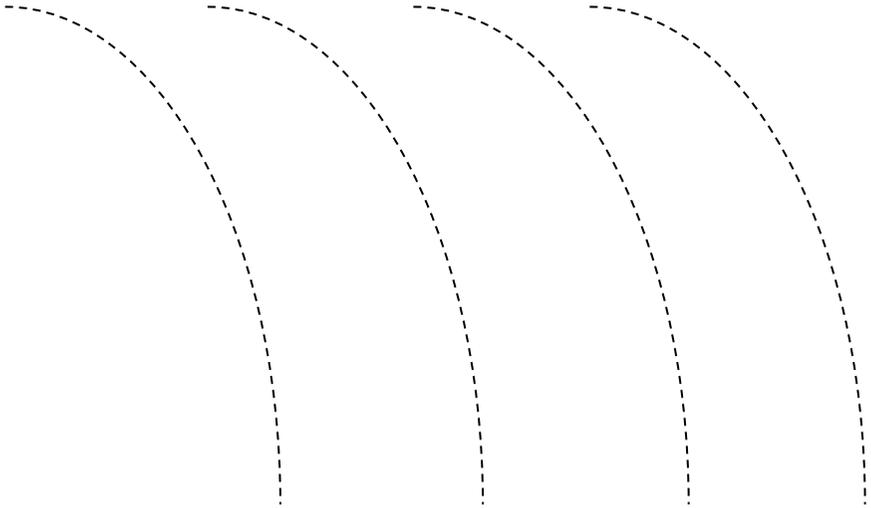

eat.

By A.J. Rolling

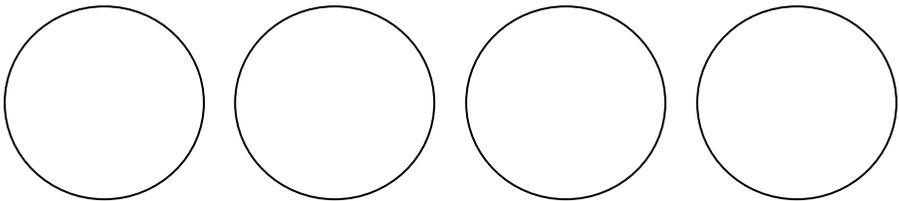

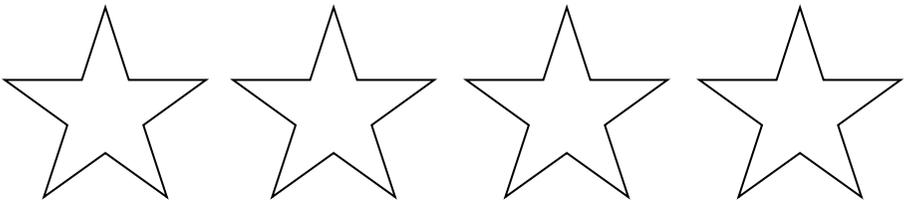

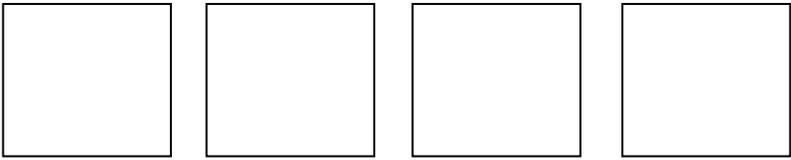

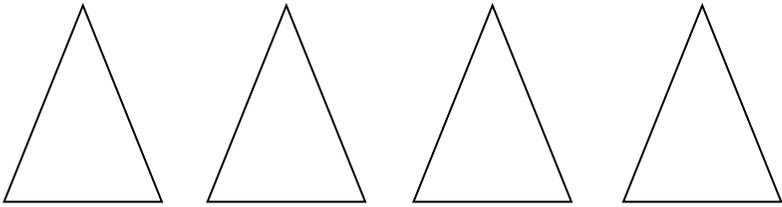

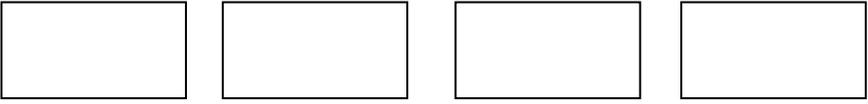

Help your child draw the number 4.

Help your child trace the lines.

Help your child count and name the shapes. Color each shape a different color and help your child name the color.

Help your child draw four circles.
