Summer Closure

Access closes during the summer for updates.

*Families may adjust the schedule to fit their needs with the understanding that Schola Rosa staff will operate according to the above schedule for community-building endeavors, such as the Blog, Forum, and Newsletters. Also, families doing a local Schola Rosa Co-op must check with their local director for the local schedule. To stay plugged in to the larger Schola Rosa community, it is highly recommended that you and your group follow this calendar.
